Tenth World International Quadrennial Congress
19 - 22 March 2017, Sydney, Australia
The Tenth World INSOL International Quadrennial Congress will take place in 2017 in Sydney. We are counting down the days with just over a year to go before we meet in the beautiful city of Sydney.
The Technical Committee are working on the technical programme. The theme of the programme is “Embracing Change”. If you have any suggestions for topics to be covered please email them to our Technical Director Sonali Abeyratne at sonali@insol.ision.co.uk
The programme will include a Welcome Barbecue on the Sunday followed by a full day programme on Monday, a half day on Tuesday, allowing those with little time in Sydney to enjoy an afternoon exploring or, if you have a head for heights, climbing the stunning Sydney Harbour Bridge and seeing this beautiful city from a different perspective, and a final full day on Wednesday culminating in the Gala Dinner. We are planning some pre and post tours if you have time to take a few extra days whilst in Australia and accompanying person tours during the Congress.
So don’t forget to book this time out of the office and join us in Sydney in 2017.
