Rolling Meadows, IL, June 16, 2021 – The Commercial Law League of America (CLLA) is pleased to welcome **Alternative Collections, LLC dba: Asset Compliant Solutions (ACS)**, Buffalo, NY to the esteemed group of CLLA Certified Agencies. **ACS** has demonstrated that the agency adheres to relevant regulations in the collection of commercial debt, uses generally accepted accounting practices and follows standards to protect and safeguard their clients' funds. They join other commercial collection agencies around the country in proudly displaying the Certified Commercial Collection Agency Seal.

Brian Noble, President and CEO of ACS commented on their recent certification, "As a company that continually strives and evolves to be better than we were yesterday, to best serve our customer base our focus will always be on compliance, technology, and professional development. Recognizing what we don't know, partnering with people who can provide the necessary knowledge and tools is important, such as The CLLA's Agency Certification Program. We are proud to announce that ACS and its Employee Associates have completed the necessary steps to become a CLLA Certified Agency. This is a credential for our resume, and a signal to our clients, competitors and employees that we set high standards for the delivery of our service suite."

"The Certified Agency program is enjoying a period of growth and the addition of ACS is another testament to the value of the program," stated Phil Lattanzio, Executive Vice President of CLLA. "We welcome ACS as the newest member of this esteemed group and look forward to working with them to promote their agency."

Additionally, **ACS** has passed an audit conducted by an independent third-party auditing firm. CLLA confirms their compliance with all relevant federal and state laws and regulations governing the collection of debts and in all jurisdictional registration and licensing requirements. The CLLA Certification, endorsed by the International Association of Commercial Collectors (IACC), has set the standard of agency certification in the credit industry since 1975.
