Commercial Law League of America Announces Additional Certified Agency

Hoffman Estates, IL, July 28, 2026 – The Commercial Law League of America (CLLA) is pleased to welcome into the esteemed group of Certified Agencies, **Commercial Collection Consultants, Inc., Encino, CA**, to its distinguished roster of Certified Commercial Collection Agencies:

By achieving CLLA Certification, these agencies have demonstrated compliance with applicable regulations governing the collection of commercial debt, adherence to generally accepted accounting practices, and implementation of safeguards designed to protect client funds. They join a select group of commercial collection agencies nationwide authorized to display the **Certified Commercial Collection Agency Seal**, a recognized symbol of professionalism, accountability, and industry excellence.

According to President, Robert Lenardson, “After serving the commercial collection community for 45 years, we are excited to announce our formal acceptance as a certified member agency of the Commercial Law League of America. From day one, we have shared the same commitment to financial integrity as the CLLA and are proud to continue promoting the highest ethical standards that we first established in 1981.”

All CLLA Certified Agencies, including Commercial Collection Consultants, Inc., have successfully completed a comprehensive audit conducted by an independent third-party auditing firm. The certification process verifies compliance with applicable federal and state laws and regulations governing debt collection, as well as all required jurisdictional registration and licensing requirements.

Endorsed by the **International Association of Commercial Collectors (IACC)**, the CLLA Certification Program has served as the industry standard for agency certification in the commercial credit and collections industry since 1975.
